Continuing Medical Education

4th Annual
Meridian Health National Neuroscience Symposium

Friday, October 9, 2015
7:30 a.m. – 4:30 p.m.
Sheraton Hotel, Grand Ballroom
6 Industrial Way East, Eatontown, NJ
DESCRIPTION
This continuing education program will explore emerging trends in the diagnosis and management of patients with neurological disorders including: Stroke, Epilepsy, Apollo Intracerebral Hemorrhage Evacuation Method, Diffusion Tensor Imaging, Nerve Transplant Surgery, Concussion and Cerebrospinal Fluid Flow, Mind-Body Medicine, Amyotrophic Lateral Sclerosis, Migraine Headache and Central Nervous System Lyme Disease.

OBJECTIVES
• Discuss research and current evidence-based practice regarding the latest neurosurgical techniques, modalities and therapies in Neurology;
• Review diagnosis and treatment of various prevalent neurological/neurosurgical disorders;
• Self-assess individual current practices to identify specific strategies that will result in optimal patient outcomes.

Target Audience
Neurosurgeons, Neurologists, Orthopedists, Psychiatrists, Primary Care Physicians, Nurses, NPs, PAs, Fellows, Residents, Medical Students and all other healthcare professionals involved in caring patients with Neurological Disorders.

CME Accreditation Statement
Meridian Health is accredited by the Medical Society of New Jersey to provide continuing medical education for physicians.

AMA Credit Designation Statement
AMA PRA Category 1 Credit(s)™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement
Meridian Health, in approving activities for AMA PRA Category 1 Credit™, adheres to the ACCME Standards for Commercial SupportSM. Meridian Health designates this live activity for a maximum of 6 AMA PRA Category 1 Credit(s)™ physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Neuroscience of Mind-Body Medicine
Gregory Fricchione, M.D., Associate Chief of Psychiatry; Director, Division of Psychiatry and Medicine, Director, Benson–Henry Institute for Mind Body Medicine, Massachusetts General Hospital; Boston, MA

REGISTRATION
Registration Fees (Check appropriate box)
☐ Physicians: ________________________ $100.00
☐ Nurses and Allied Health Professionals: ________________________ $ 50.00
☐ Students/Residents/Fellows: ________________________ FREE

Please make checks payable to: Meridian Neuroscience and mail to: Maureen Kelly
Riverview Medical Center
Neuroscience Department
1 Riverview Plaza, Red Bank, NJ 07701

To register and pay with credit card, please call 800.560.9990 or register online, visit www.MeridianHealth.com/NeuroscienceSymposium

AGENDA
7:30 a.m. – 8:00 a.m.  REGISTRATION & BREAKFAST
8:00 a.m. – 8:15 a.m.  Welcome and Introductions
Timothy J. Hogan, FACHE, Regional Hospital President, Monmouth County
Alan Colicchio, M.D., Program Director and Medical Director, Meridian Neuroscience

8:15 a.m. – 9:10 a.m.  ALS: Clinical and Research Updates
Stephen Kolb, M.D., Ph.D., Assistant Professor of Neurology; Assistant Professor of Molecular & Cellular Biochemistry, Ohio State University Medical Center; Columbus, OH

9:10 a.m. – 10:00 a.m.  The Neuroscience of Mind-Body Medicine
John Halperin, M.D., Medical Director, Atlantic Neuroscience Institute, Professor of Neurology & Medicine, Sidney Kimmel Medical College of Thomas Jefferson University, Chair, Department of Neurosciences, Overlook Medical Center; Summit, NJ

10:00 a.m. – 10:15 a.m.  BREAK

10:15 a.m. – 11:05 a.m.  Intracranial Hemorrhage Surgery – The MUSC Experience
Raymond Turner, M.D., Co-Director, Comprehensive Stroke & Cerebrovascular Center; Associate Director, Neurosurgery Residency Program, Medical University of South Carolina; Charleston, SC

11:05 a.m. – 11:55 a.m.  Nervous System Lyme Disease: Fact and Fiction
Noam Eshkar, M.D., Chairman of Radiology, JFK Medical Center; Edison, NJ

12:00 p.m. – 12:50 p.m.  Surgical Treatment of Facial Paralysis
Michael Rose M.D., The Center for Treatment of Paralysis & Reconstructive Nerve Surgery at Jersey Shore University Medical Center; Neptune, NJ

12:55 p.m. – 1:45 p.m.  Procedural and Emerging Treatments for Migraine
Matthew Robbins, M.D., Director of Service, Neurology, Einstein/Weiler Division, Montefiore Medical Center, Director of Inpatient Services, Montefiore Headache Center; Bronx, NY

1:45 p.m. – 2:35 p.m.  Diffusion Tensor Imaging of Neurological Disease
Thomas Jefferson University, Chair, Department of Neurosciences, Overlook Medical Center; Columbus, OH

2:35 p.m. – 3:20 p.m.  The Effects of Concussion on Cerebral Blood Flow
Kevin Crutchfield, M.D., Director of the Comprehensive Sports Concussion Program at the Sandra and Malcolm Berman Brain & Spine Institute at LifeBridge Health; Baltimore, MD

2:50 p.m. – 3:40 p.m.  Surgical Treatment of Facial Paralysis
Michael Rose M.D., The Center for Treatment of Paralysis & Reconstructive Nerve Surgery at Jersey Shore University Medical Center; Neptune, NJ

3:40 p.m. – 4:30 p.m.  The Effects of Concussion on Cerebral Blood Flow
Kevin Crutchfield, M.D., Director of the Comprehensive Sports Concussion Program at the Sandra and Malcolm Berman Brain & Spine Institute at LifeBridge Health; Baltimore, MD
